

## **FOREVER BLISSFUL CHEESE PACKAGE (WAX OFF)**

**A milder cheese tower to suit all cheese lovers, young and old.**

**The aged vintage cheddar is made by Alexandrina Cheese Company in South Australia. They run their own dairy and cheese production from Jersey Cow Milk, giving the cheese a beautiful creamy flavour with subtle sharpness.**

**The Adel Blue vein cheese is a cow's milk blue with a firm texture with rich cream flavours. It is an even, approachable blue made by the La Vera cheese company in Newton, Adelaide. Vegetarian Friendly.**

**Our Barossa Camembert, artisan made in Angaston, Barossa Valley. As this white mould cheese ripens, it develops slight earthy, mushroom aromas with a mild creamy palate that will become full, creamy and luscious when served at room temperature. Vegetarian Friendly.**

**This cake will serve 100 people at 50g each.**

**\$270.00\***

**\*cheese only, we recommend you have your cake decorated by your florist.**
