

Barossa Cheese Sponsorship Program:

At Barossa Cheese we love supporting the local community and sharing our success with the region; shopping local where we can and employing local staff with great knowledge on the area and of course, cheese!

Our Sponsorship program also reflects those values, putting back into the local community where we can. Each year we donate a considerable amount to help organisations and charities with their fundraising.

We offer one-off sponsorships of vouchers or product to help spread our sponsorship dollars further into the broader community.

As a goal we aim to support:

- Education that supports young people
- Barossa area organisations
- Potential for a community impact, not an individual
- Must have a significant reach level of a minimum of 100 attendees.

If you feel you fit our criteria, please fill out the application form below. Should you have any queries in regards to sponsorship, please phone the Cheesecellar 08 8564 3636.

All applications must be submitted with a form with a minimum of two (2) months' notice before your event and will be assessed based on the above criteria.
